Ayudas al diseño

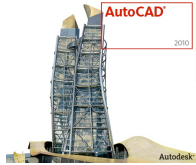

Ayudas al diseño

- Rastreo Polar
- Rastreo de referencia a objetos (*AutoTrack*)

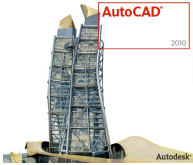

Ayudas al diseño

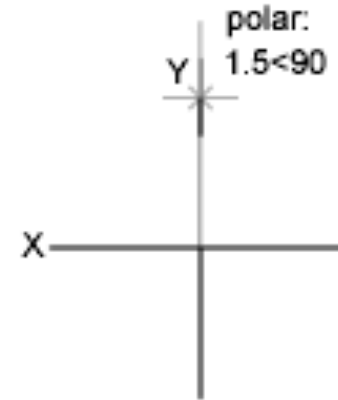

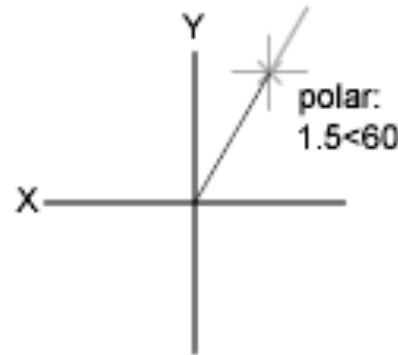

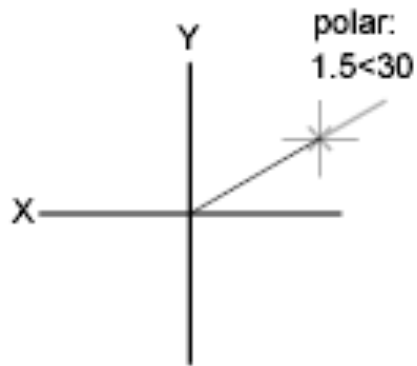

- Rastreo Polar
- Rastreo de referencia a objetos (*AutoTrack*)

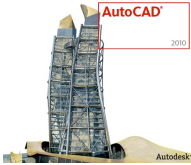

Rastreo Polar (Ayudas al diseño)

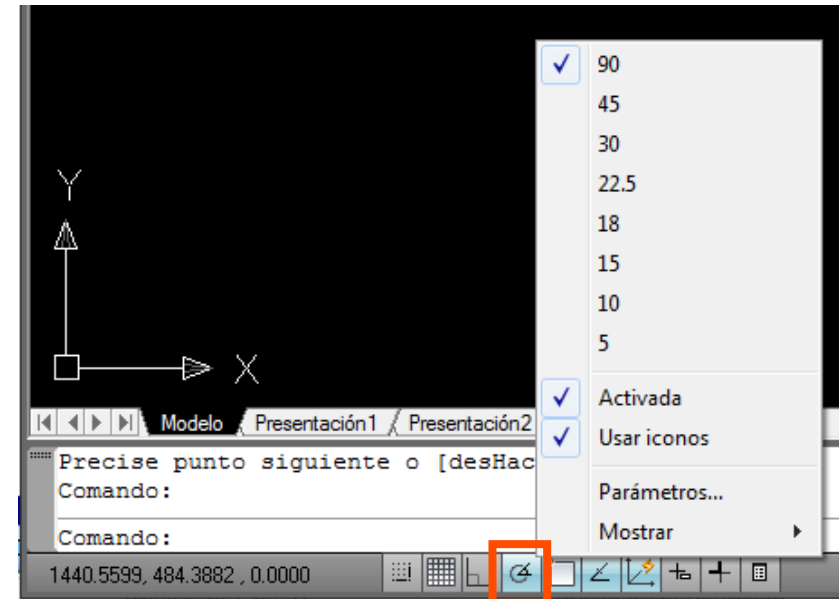

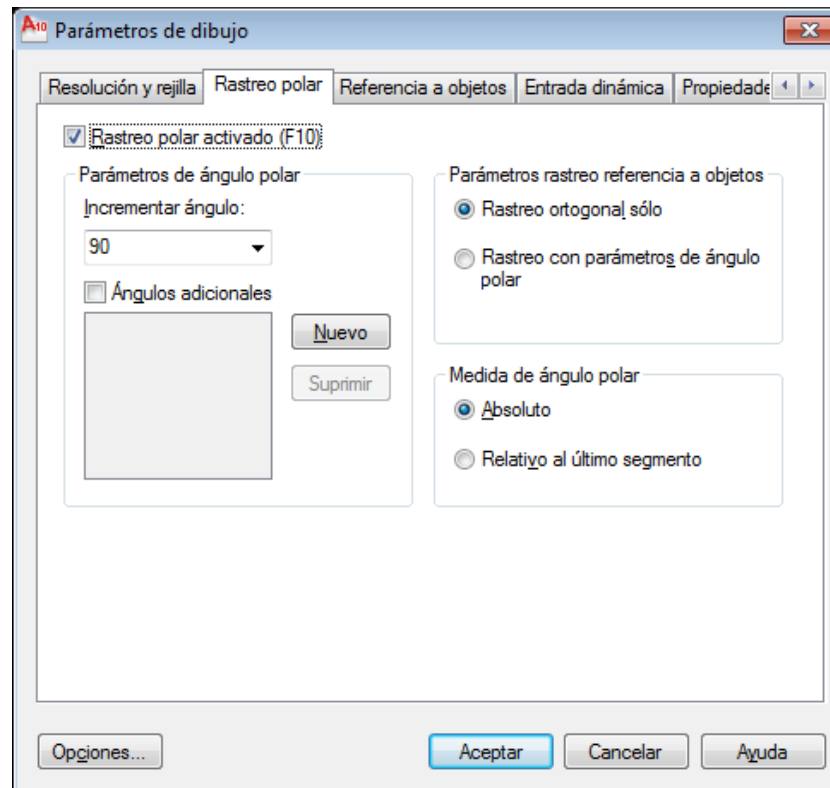

- El rastreo polar restringe el movimiento del cursor a ángulos precisados.
- Parametrizable

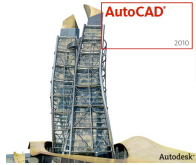

Rastreo Polar (Ayudas al diseño)

- Botón derecho ratón sobre icono
- Modificar **Parámetros...**

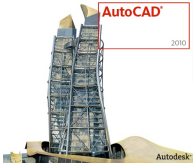

Ayudas al diseño

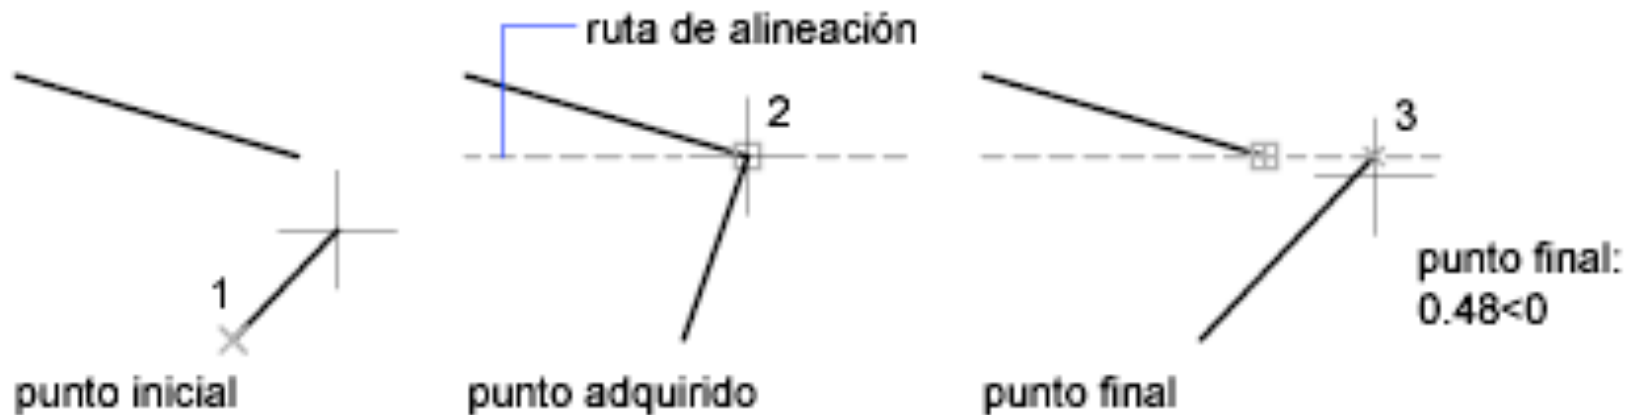

- Rastreo Polar
- **Rastreo de referencia a objetos (*AutoTrack*)**

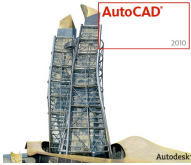

Rastreo Ref objetos (Ayudas al diseño)

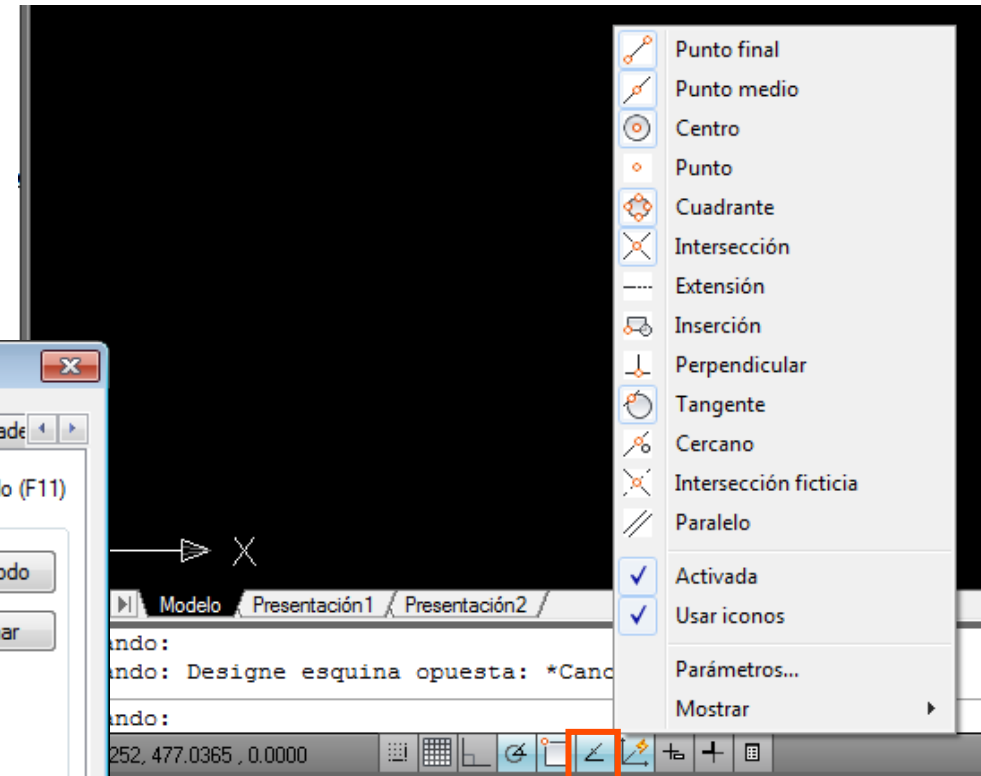

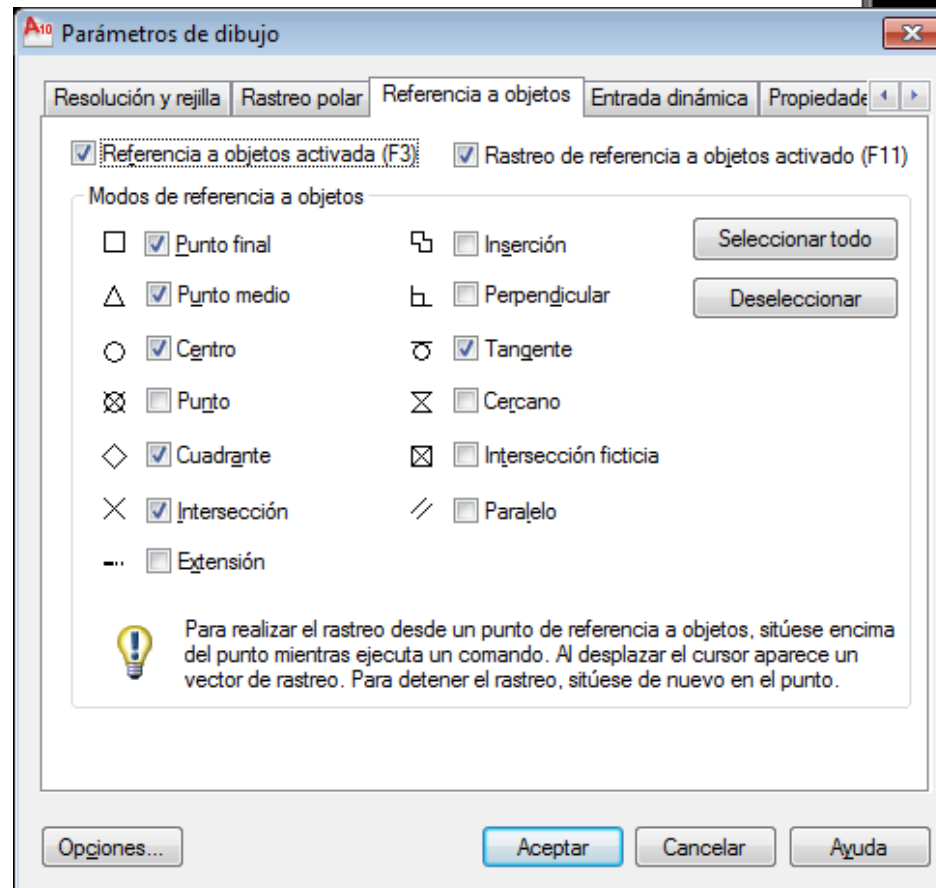

- Permite dibujar objetos en ángulos determinados o en relación con otros objetos situados a lo largo de las direcciones conocidas como rutas de alineación.

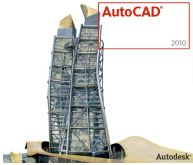

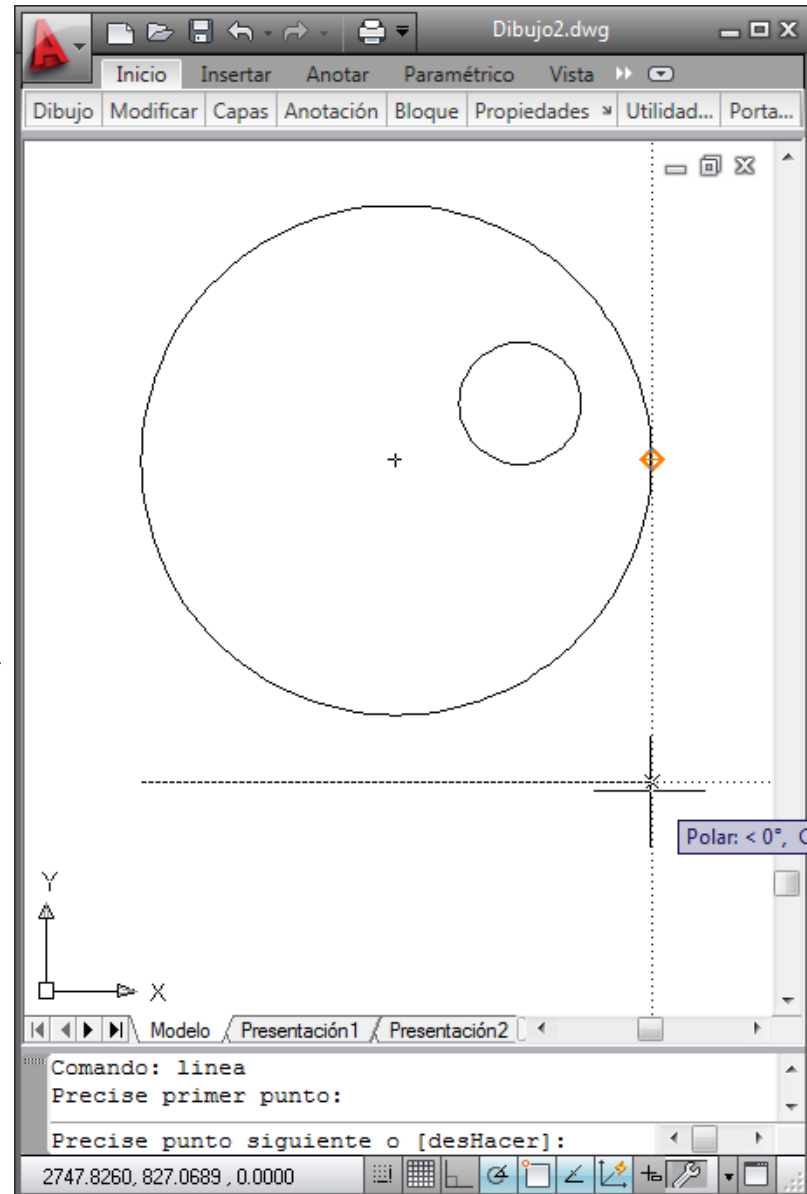

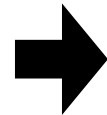

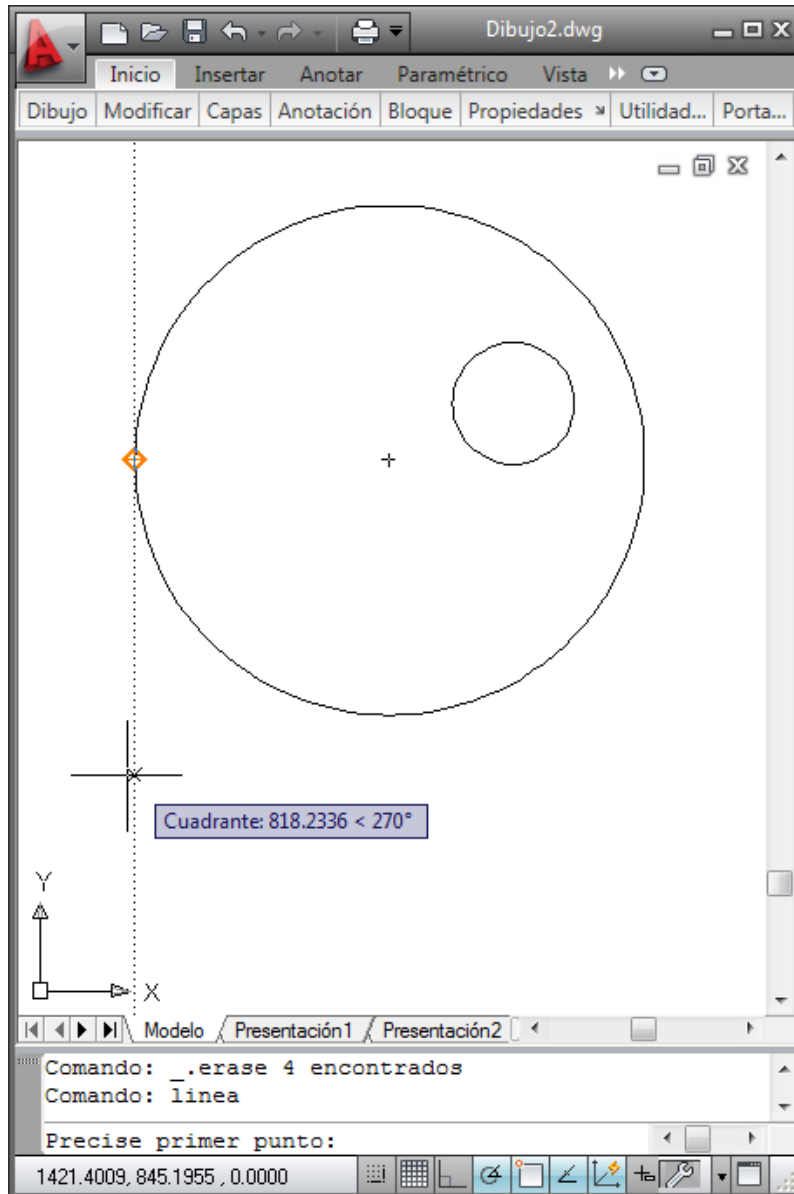

Rastreo Ref objetos (Ayudas al diseño)

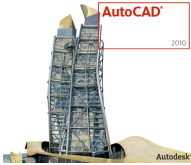

- Botón derecho ratón sobre icono
- Modificar **Parámetros...**

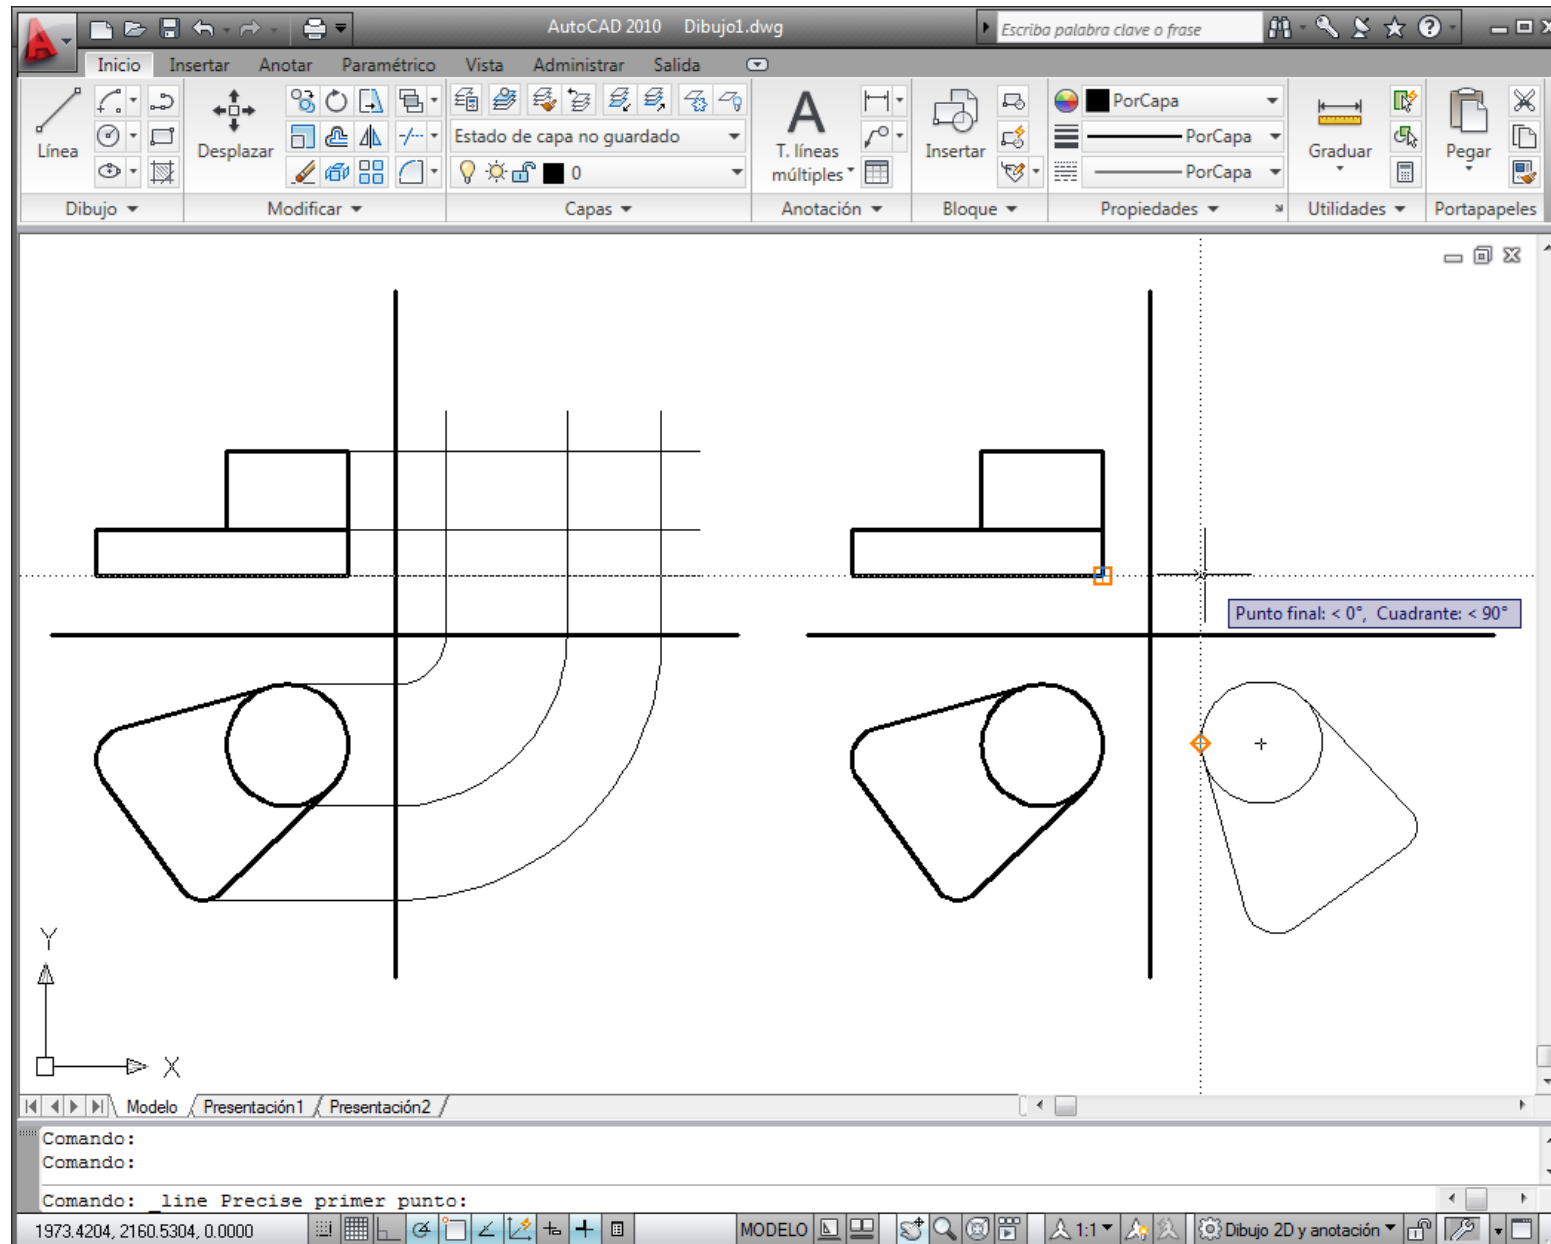

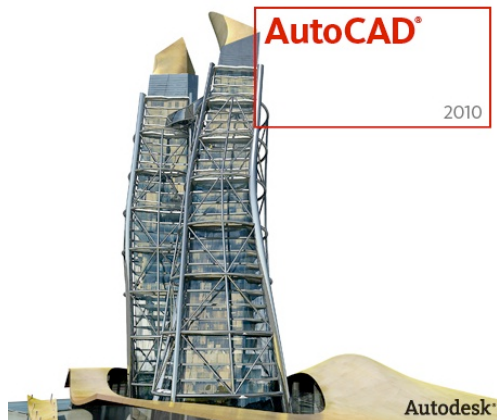

Rastreo Ref objetos (Ayudas al diseño)
